TO WHOM IT MAY CONCERN

A T Green have been a nominated contractor for Iceland Foods Ltd for a number of years and I am truly impressed with this firm.

In my capacity as Head of Projects, I am exposed to the performance of numerous contractors, Garry and Allan Green and their staff have proven to be exceptional.

A T Green have been key to the upgrade and new store set ups for Iceland's expansion. Their organisation and flexibility ensure that their jobs are completed on time, often with tight deadlines. Their commitment and attention to detail allow me to give them the highest recommendation.

I am also aware that other contractors i.e. Shopfitters have started to use A T Green for their own projects which is testament to their work quality and ethics.

Yours faithfully
