Dear Allan,

***Complete Office, Canteen, Toilet and Ware House Strip Out and Re-Fit  
Widex, Chester Business Park, Chester***

We want to express our thanks for the electrical work carried out by your team on the above project. We very much appreciated the way you worked around our needs in the design, build and completion of our new premises. You turned up as and when requested and under took your contract works with good nature and great efficiency. We were impressed by the courteous and thoughtful manner in which the works were carried out from start to finish. Mr Ceri Davies (Operations Manager) is very pleased with the project and which is, in some part, due to the commitment you have shown on site.

Please pass on our thanks to all the staff involved

Yours Sincerely,

Jon Billings,
